

Mobile Office Solutions

866-77 GO BOX
www.getgobox.com

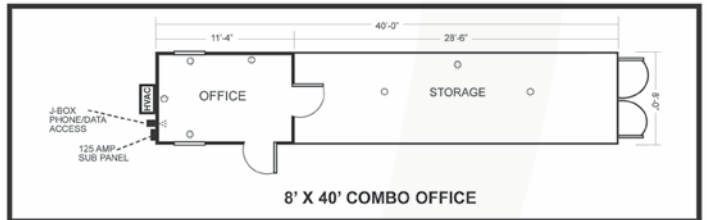

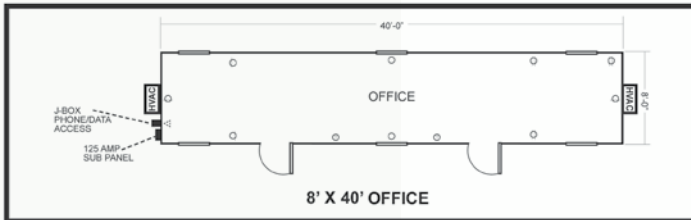

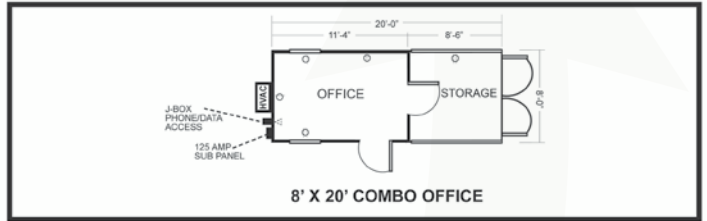

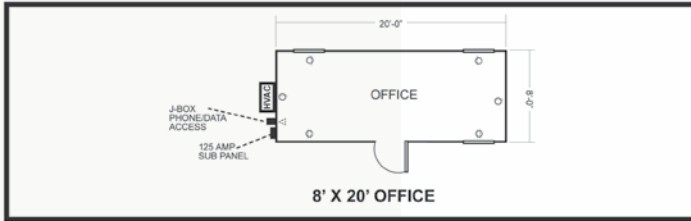

National Portable
Storage Association

GoBox is your business' on site mobile office solution. **GoBox** mobile offices are the perfect place for managing your business needs while still on the job site.

SIZES

GoBox mobile offices are available in either a 20 foot or a 40 foot, each with 2 floor plans- office or office/storage designs.

CONVENIENCE

Convenience is the reason so many people are turning to **GoBox**. Simply call, and a mobile office will be delivered to you. When done, **GoBox** will return to pick it up from your site.

AMENITIES

GoBox mobile offices come wired for fax, phone and Internet and may be customized for your individual needs. All **GoBox** mobile offices are well-lit with fluorescent fixtures and have ample electrical outlets. Each office is also equipped with a heating/cooling unit for added comfort.

QUALITY

These mobile offices are built to be strong and secure. **GoBox** offices are insulated and soundly constructed so they are wind resistant and water tight.

SERVICE

GoBox is a company that prides itself on its integrity, providing responsive customer service and a business-friendly attitude.
