GoBox is your moving and storage solution. **GoBox** portable storage units are perfect for a variety of needs – yard equipment, furniture, seasonal items and more.

CONVENIENCE

Convenience is the reason so many people are turning to **GoBox**. Simply call, and we will deliver a storage container to you to keep for as long as you need. When done, **GoBox** will return to pick it up.

STORAGE

You have two storage options.

1. You may keep the storage container at your location and call **GoBox** to pick it up when you are done with it.
2. You may have **GoBox** pick up the loaded container and store it at their warehouse. **GoBox** will return it to you when you are ready to unload it.

MOVING

You could not ask for an easier and more convenient way to move. Let **GoBox** deliver a container to your location. You load it at your convenience. When done, call **GoBox** to pick it up and deliver it to your new address on a date you request. Again, you may unload it at your own pace and simply call **GoBox** to pick it up when done.

QUALITY

GoBox containers are soundly constructed to be wind resistant and water tight. They are insulated and have roll up doors for ease of access. **GoBox** storage containers come with pre-wired internal lights and electrical outlets. Simply connect an extension cord from your home to an external plug on the rear of the container for power.

CLIMATE CONTROLLED

When storing items that need additional protection from extreme heat, cold or humidity, **GoBox** has climate control solutions available either at your site or at our warehouse .

SERVICE

GoBox is a company that prides itself on its integrity, providing responsive customer service and a business-friendly attitude.
